NON-ACCEPTABLE, ALL SITES:
*Oil or petroleum
*Hazardous Materials
*Wood
*Organics
*Trash (paper, plastics, etc.
*Straight wire mesh

*If you dump unacceptable material, you agree to haul it off or pay a \$300 to \$3,000 per load clean up fee for non-hazardous/ non/acceptable material. The full cost and damages to clean up hazardous material is the responsibility of the customer per the Credit Application and Standard Contract Provisions.

*Customer agrees to take all reasonable measures to determine whether any material being hauled away from the customer project includes any Unacceptable Material or Hazardous Material as defined in Impact's Credit Application Agreement and to avoid including the Unacceptable Material in any load. If Unacceptable Material is knowingly or unknowingly included in Backhaul, the Customer assumes responsibility for all costs to properly remediate the backhaul, the site it contaminates, and to indemnify the Seller against any and all damages caused by contaminants being in the Backhaul.

Note: Double Belly Trucks or Double Side Dumps are double the above rates.

This Agreement is subject to the provisions contained in the Impact Credit Application and Standard Contract Provisions.

This Agreement shall also incorporate applicable provisions contained in related Sales Confirmations and Invoices between Buyer and Seller.

Please contact your customer service representative or the Service Center at (702) 407-0951 with any questions.
